Definitions:

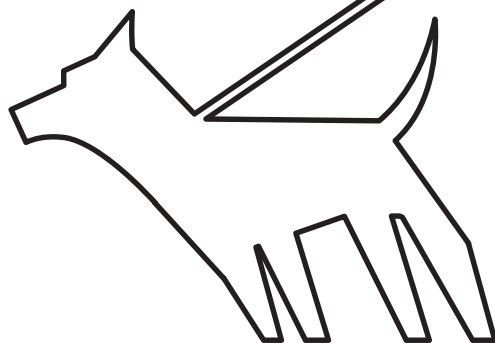

1. Environment – the air, ground, water, plants, and animals around us
2. Scooper – a tool used for picking up after your pet goes to the bathroom
3. Waste – dog or cat poop
4. Duty – something a person feels they should do
5. Bacteria – tiny organisms that we can't see with our eyes
6. Stream – a small, flowing body of water
7. Harmful – can hurt someone or something
8. Responsible – doing things we are supposed to do

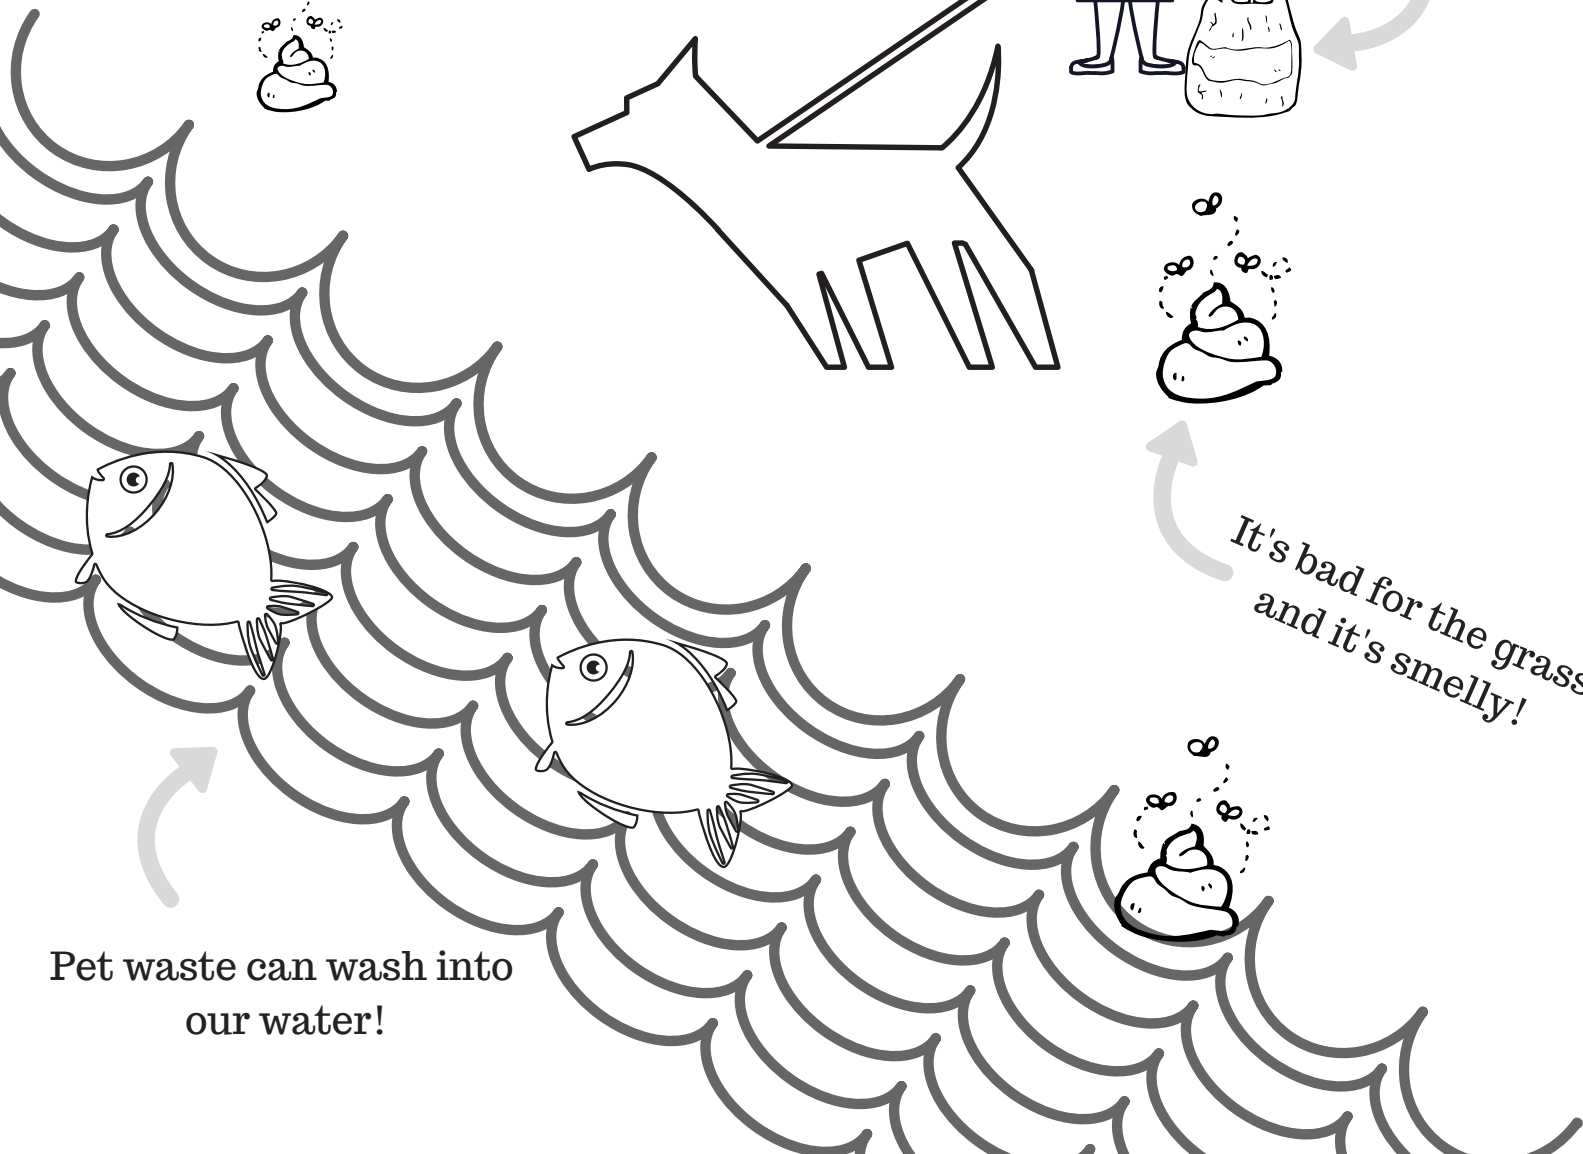

*Dog waste can make us sick!*

*Don't forget to bring a bag!*

*It's bad for the grass and it's smelly!*

*Pet waste can wash into our water!*

Patapsco Heritage  
Greenway thanks  
you for being a  
responsible pet  
owner!
